Ami

design : F. Rota

Notes:
The Ornué finish of the bases is made by De Castelli on an exclusivity basis.
As the weave in Twiggy cord lets part of the stainless steel structure at sight, both the structure and the base are available gloss varnished only and in the same colour.
This product can be used also in interior environments.
Loose cushions are necessary for enhanced comfort; quantity and dimensions depend on the selected product.
We advise to use a Winter Set protection cover.
