DESCRIPTION

The 9602 Floor Lamp, also known as "Chinese Hat" was designed by Paavo Tynell in 1938 for the hotel Aulanko. Characterised by its elegant and airy lampshade and rattan-covered stem, the 9602 Floor Lamp shows the designer's limitless imagination and unparalleled ability to create designs of enduring beauty. Adding a playful, exuberant quality to the top, balanced by the more static form of the base, the 9602 Floor Lamp is perfectly suited for creating a gentle ambient light in the domestic living room.
